

Is Your Child Being Educated or Indoctrinated?

The British High Court has ruled that Al Gore's *An Inconvenient Truth* is partisan propaganda and contains at least 11 scientific errors. It ruled the film should not be shown in classrooms unless accompanied by a document pointing out the the scientific errors. The Court also ruled classroom time should be given for presenting an alternative view.

Is your child being forced to watch Al Gore's propaganda film? If so, you should:

- Call 312/377-4000 and request a free copy of *Education or Indoctrination? Al Gore in the Classroom*, a collection of background readings produced by The Heartland Institute.
- Talk to your child's teacher, and if necessary the principal, and ask them to remove Gore from the classroom or provide students an alternative view.
- If your child's teacher or principal isn't responsive, contact Maureen Martin, senior fellow for legal affairs for The Heartland Institute, at martin@heartland.org, for free legal assistance.
